"THE SECRET FOUR"

Episode Ten

JIM'S and Nadine's fall has been broken by a dirt slide. They pick up the pieces of the Buddha, but have no time to search the broken pieces for the envelope before Reynolds and Walgrove appear in pursuit. Nadine and Jim follow the ravine and reach the mountains nearby.

While Reynolds and Walgrove continue on their trail, Jim and Nadine are sighted by a band of smugglers, who ambush Jim and Nadine and take them to their den.

Walgrove and Reynolds, who are pursuing, see the capture and follow to the den. The mountaineers attack them.

The fight between Walgrove, Reynolds and the mountaineers is seen by Jim and Nadine. Also Jim sees the face of the Shifting Shadow peering out from the bushes. Jim hastily scratches a message for help on the first thing handy, the back of a shipping book—the shipping book which tells where the third and last Buddha has been shipped.

Reynolds and Walgrove are captured and thrown into the same place as Jim and Nadine. The broken pieces of the bust lie on a rock midway between them.

Jim and Nadine escape. Jim tells

her the third Buddha is at the hunting lodge of a Mrs. Kent, and they will make for there.

Jim and Nadine discover Walgrove and Reynolds following them. Jim and Nadine get in and paddle into the stream, barely escaping Walgrove and Reynolds. The paddle is overboard and floats away. Helplessly the canoe drifts out into mid-stream, is caught in the current, and carried toward a falls a hundred yards away.
